WELCOME TO ZAGREB!

Zagreb, capital of the Republic of Croatia, is also its largest city and the cultural, economic, cinematic, sporting and governmental hub of the country. It is located on the southern slopes of Medvednica Mountain along the banks of the Sava River. Culturally, it is a European city well worth visiting, with its numerous historical monuments and medieval architecture. Its favourable geographic positioning in the Pannonian Basin gives the city instant access to Central Europe and the Adriatic coast. Maybe that's why, for many years, it has remained the economic gateway connecting Central and Western Europe via the Adriatic Sea.

Today, it is the only city in Croatia with a population of over one million. Yet, as the city advances into the new millennium, it has retained its old charisma and welcoming attitude towards foreign visitors.
