ATHLETES' VILLAGE

ATHLETES' VILLAGE

Athletes' Village is a unique residential complex that knows no equals in Russia at the moment. The total area of the complex is 53 hectares, of which 38 hectares are used for residential buildings and facilities, and 14 hectares — for landscaped area.

To provide comfortable and secure conditions for the Village residents, all the buildings are equipped with **video surveillance systems, air conditioning and fire-extinguishing systems**. Moreover, the residential buildings house **medical stations, icemachine rooms, video auditoriums, self-service launderettes** and **spare offices** for holding meetings.

The Athletes' Village is conveniently divided into two functional zones: **international** and **residential**.

The international zone incorporates the **Main International Centre, restaurant, Medical Centre, public security centre and parking areas**, while the residential zone comprises **accommodation facilities, services** and area for **leisure activities**.

It is worth mentioning that the territory of the Athletes' Village is a "**Healthy zone**". Smoking and drinking alcohol are prohibited on the whole territory of the Athletes' Village.

Residential zone

22 buildings are ready to accommodate the Championships participants. Total room capacity is **4500 beds**, providing **single** and **double** accommodation. **Triple** accommodation is also available. All the rooms have **personal bathrooms, air conditioning, refrigerator, safe** and other necessary goods. Bedclothes and towels will be changed twice a week.

In order for the guests to stay in touch with their families and friends, the following **communication services** will be provided in the residential buildings of the Athletes' Village:

- **wireless Internet** service (Wi-Fi) at 1Mb/s speed for one session (complete coverage of the building)
- **cable Internet** access in the IT rooms at 5Mb/s speed per one computer
