FINA PRESIDENT'S MESSAGE

FINA DIVING GRAND PRIX 2016

It is my great pleasure to present you the **FINA Diving Grand Prix 2016**, a competition aimed at gathering the best athletes of the planet in a yearly circuit of meets worldwide. Ten legs in four continents are on the programme, with the kick-off taking place on January 15 in Madrid (ESP) and the conclusion of the series scheduled for Gold Coast (AUS) on October 30.

Still with excellent memories of the superb competition at the 2015 FINA World Championships in Kazan (RUS), this Grand Prix will be an excellent occasion to enhance the visibility and media exposure of diving worldwide. With the active support of our National Federations, sponsors and partners, and TV networks, the FINA Family has good reasons to celebrate: our sport is very active in the five continents, attracting more athletes, more organisers and more spectators.

In February 2016, will be organised the FINA World Cup in Rio de Janeiro (BRA), both a Test and Qualification event for the Olympic Games, to be held in August. That is why the Grand Prix meets will also be an admirable opportunity to evaluate the shape of the athletes in terms of their world hierarchy.

I would take this opportunity to express my gratitude and sincere appreciation to all the National Member Federations and Organisers of this FINA Diving Grand Prix 2016. Their enthusiasm, efficiency and support are key factors for the success of this event.

Good luck to all the participants in the FINA Diving Grand Prix 2016 and the best to win!

Dr. Julio C. Maglione
FINA President
